Brief Report of IIC Activity

2025-2026 | Q2

1. Social media link	https://www.facebook.com/share/p/1DwAYKPLoR/ https://youtu.be/cT_n5hvggqw
2. Academic year	2025-26
3. Program driven by	Celebration Activity
4. Quarter	II
5. Program/Activity Name	Expert Talk
6. Program type	--
7. Other	--
8. Program Theme	Innovation with AI: Think, Create & Innovate with AI
9. Duration of the activity (in hours)	2.5
10. Start Date	21-04-2026
11. End Date	21-04-2026
12. Number of Student Participants (Minimum 40 Students)	43
13. Number of Faculty Participants	08
14. Number of External Participants, If any	--
15. Expenditure Amount If any	Nil
16. Remark	--

17. Mode of Session Delivery	Offline
18. Objective (100 Words)	<p>The objective of the expert talk on “Innovation with AI: Think, Create & Innovate with AI” is to introduce students to the transformative role of artificial intelligence in innovation and creativity. It aims to encourage participants to explore AI-driven solutions, enhance critical thinking, and develop innovative ideas. The session also seeks to align technological advancement with values, promoting responsible and ethical use of AI for societal development.</p>
19. Benefit in terms of Learning/Skill/Knowledge obtained (150 Words)	<p>This expert talk provides participants with valuable insights into the application of artificial intelligence in real-world innovation. It enhances understanding of emerging technologies and their role in solving modern challenges. Students develop creative thinking, problem-solving skills, and awareness of AI tools and techniques. The session also emphasizes ethical considerations, helping participants use technology responsibly. Interaction with experts boosts confidence, communication, and technical awareness. Additionally, it motivates students to participate in innovation-driven activities and explore career opportunities in AI and technology fields. Overall, the event fosters a balanced approach towards creativity, innovation, and values, contributing to holistic personal and professional development.</p>

Report

In order to celebrate 'World Creativity & Innovation Day' an impactful and enlightening Expert Talk was organized on April 21st, 2026 under the joint aegis of the N. C. C. wing and Institution's Innovation Council (IIC) of Hindu Kanya Mahavidyalaya, Jind. The lecture was held on the topic 'Innovation with AI: Think, Create and Innovate with AI'. The event was conducted under the broader theme of "Values and Potential, Innovation and Development," with the objective of fostering an innovative mindset among the students while raising their awareness regarding modern technologies.

The program commenced with the ceremonial lighting of the lamp, followed by a welcome address. In her inspiring address to the students, the college Principal, Dr. Poonam Mor, stated that in the contemporary era, Artificial Intelligence (AI) has emerged as a pivotal foundation for technological advancement. She encouraged the students to understand advanced technologies such as AI and to utilize them constructively in both their academic and professional lives.

Gracing the occasion as the keynote speaker, Mrs. Shivani, Assistant Professor of Computer Science, H. K. M. V., Jind shed detailed light on the various dimensions of AI during her lecture. She elucidated how AI is driving innovation across diverse sectors, including education, healthcare, agriculture, industry, and business. She apprised the students of the significance of Machine Learning, Data Analytics, Automation, and various digital tools, further explaining that the application of AI is not confined solely to the technical domain but is, in fact, unlocking new possibilities across every field.

Through illustrative examples, she demonstrated how the application of AI leads to time efficiency, enhanced operational accuracy, and improved decision-making capabilities. Furthermore, she inspired the students to cultivate digital skills, acquire proficiency in new technologies, and play an active role in the realm of innovation. Highlighting the objective of the program, Dr. Priyanka Sahni, Coordinator of the IIC, stated that such events foster creativity, problem-solving skills, and an entrepreneurial spirit among students. She explained that the primary goal of the IIC is to connect students with the culture of innovation and startups, thereby enabling them to become self-reliant in the future.

During the program, the students participated enthusiastically and posed inquisitive questions related to AI during the Q&A session, which were addressed by the keynote speaker in a simple yet effective manner. This interactive session made the program even more engaging and beneficial.

In conclusion, Mrs. Anju, the NCC CTO, delivered the vote of thanks, expressing her gratitude to all the guests, speakers, and participants. She remarked that such enlightening programs play a pivotal role in the holistic development of students.

The program proved to be immensely inspiring, informative, and served as a guiding light for the students' future endeavors. A total of 43 students participated actively in this event.

कार्यक्रम हिंदू कन्या महाविद्यालय में नवाचार विषय पर व्याख्यान आयोजित

एआई का मुख्य उद्देश्य विद्यार्थियों को नवाचार एवं स्टार्टअप संस्कृति से जोड़ना : डॉ. पूनम

हरिभूमि न्यूज ▶ जीद

हिंदू कन्या महाविद्यालय की एनसीसी विंग एवं इंस्टीट्यूशन इनोवेशन काउंसिल (आईआईसी) के संयुक्त तत्वावधान में विश्व रचनात्मकता एवं नवाचार दिवस के उपलक्ष्य में एआई के साथ इनोवेशन, एआई के साक्ष्य सोचें, सृजन करें और नया करें विषय पर ज्ञानवर्धक विशेषज्ञ व्याख्यान का आयोजन किया गया। कार्यक्रम का आयोजन संस्कार और सामर्थ्य, नवाचार और विकास थीम के अंतर्गत किया गया। जिसका उद्देश्य छात्राओं को आधुनिक तकनीकों के प्रति जागरूक करते हुए उनमें नवाचार की सोच विकसित करना था। कार्यक्रम की शुरुआत में महाविद्यालय की प्राचार्या डा. पूनम मोर ने छात्राओं को संबोधित करते हुए कहा कि वर्तमान समय में कृत्रिम बुद्धिमत्ता (आर्टिफिशियल इंटेलिजेंस) तकनीकी विकास का एक महत्वपूर्ण आधार बन चुकी है।

जीद। कार्यक्रम को संबोधित करते हुए वक्ता। फोटो: हरिभूमि

उन्होंने छात्राओं को प्रोत्साहित किया कि वे एआई जैसी उन्नत तकनीकों को समझें और अपने शैक्षणिक एवं व्यावसायिक जीवन में उसका सकारात्मक उपयोग करें। इस अवसर पर मुख्य वक्ता के रूप में उपस्थित सहायक प्राध्यापिका कम्प्यूटर विज्ञान शिवानी ने अपने व्याख्यान में एआई के विविध आयामों पर विस्तार से प्रकाश डाला। उन्होंने बताया कि किस प्रकार एआई शिक्षा, स्वास्थ्य, कृषि, उद्योग एवं व्यवसाय जैसे विभिन्न क्षेत्रों में नवाचार को बढ़ावा दे रहा है। उन्होंने छात्राओं को मशीन लर्निंग, डेटा एनालिटिक्स, ऑटोमेशन एवं डिजिटल टूल्स के महत्व से अवगत कराया तथा यह भी समझाया कि एआई का उपयोग केवल तकनीकी क्षेत्र तक सीमित नहीं है बल्कि यह प्रत्येक क्षेत्र में नई संभावनाओं के द्वार खोल रहा है। उन्होंने उदाहरणों के माध्यम से स्पष्ट किया कि एआई के उपयोग से समय की बचत, कार्य की सटीकता एवं निर्णय लेने की क्षमता में वृद्धि होती है। साथ ही उन्होंने छात्राओं को डिजिटल कौशल विकसित करने, नई तकनीकों को सीखने और नवाचार के क्षेत्र में सक्रिय भूमिका निभाने के लिए प्रेरित किया। कार्यक्रम के दौरान छात्राओं ने उत्साहपूर्वक भाग लिए और प्रश्नोत्तर सत्र में एआई से संबंधित अपने जिज्ञासापूर्ण प्रश्न पूछे। जिनका मुख्य वक्ता द्वारा सरल एवं प्रभावी ढंग से समाधान किता गया। इस संवादात्मक सत्र कार्यक्रम को और अधिक रोचक एवं उपयोगी बना दिया। इस मौके अंजु सहित कार्यक्रम में 43 छात्रा ने बढ़ चढ़कर भाग लिया।
