ABOUT THE GOVT. COLLEGE, ALEWA

Established in 2017, the college is a co-educational institution situated in a rural area, dedicated to providing inclusive and quality higher education. The institution was founded with the objective of bridging the educational gap between rural and urban regions by offering academic opportunities that are accessible, affordable, and meaningful.

The college strives to create a student-centric learning environment that promotes academic excellence, ethical values, and social responsibility. With a strong focus on holistic development, the institution encourages students to participate in academic, cultural, sports, and extension activities, enabling them to grow into confident, competent, and socially conscious individuals.

Committed to continuous improvement and innovation in teaching and learning, the college plays an active role in the educational and socio-economic development of the rural community it serves.

ABOUT THE HINDU KANYA MAHAVIDYALAYA, JIND

Hindu Kanya Mahavidyalaya, Jind, established in 1970, has completed 56 glorious years of academic excellence, women's empowerment and service to society. What began with a vision to promote quality education for women has evolved into a vibrant centre of learning, nurturing generations of young women with knowledge, confidence, values and a spirit of self-reliance. Over the decades, the institution has grown into a reputed centre of higher education, with around 1200 students in UG and PG classes and well-established academic programmes in Arts, Science and Commerce. With a team of qualified, dedicated and experienced faculty, the institution strives to blend academic excellence with holistic development, innovation, creativity and responsible citizenship.

OBJECTIVES OF THE CONFERENCE

1. To provide an international platform for knowledge sharing and interdisciplinary research.
2. To promote innovation, ethical research and academic collaboration.
3. To explore AI applications for sustainable development and societal transformation.
4. To encourage entrepreneurship, start-ups and academia-industry partnerships.
5. To contribute towards achieving the Sustainable Development Goals (SDGs).

SIGNIFICANCE OF THE CONFERENCE

1. Promotes interdisciplinary research and global academic collaboration.
2. Highlights the transformative potential of Artificial Intelligence across sectors.
3. Integrates innovation, entrepreneurship and sustainable development.
4. Facilitates knowledge exchange among academia, industry and policymakers.
5. Encourages evidence-based solutions to contemporary global challenges.
