

Suggestions & Proposals for Improvement in college Infrastructure & Activities (2019-2020)

The IQAC of the college is working in close association with the college administration, faculty and non-teaching staff to achieve new qualitative benchmarks in the college functioning. On the basis of the feedback from students, teachers, parents, alumni and other stakeholders and continuous observation on the part of IQAC, the below given suggestions are hereby put forward for improving college infrastructure and other activities related to teaching learning environment and co-curricular and extra-curricular fields:-

1. Sincere efforts should be made by college administration, teaching and non-teaching staff members, so that visit of NAAC Peer Team for 'Accreditation' may be made successful, which is proposed to be held on Sept., 2019.
2. Separate Block and smart class room should be constructed for PG students.
3. Seminar room should be made ICT enabled having all the modern facilities.
4. One conference room should be constructed for conducting meeting on important issues.
5. Efforts should be made to promote research culture in the college.
6. Safety measures should be taken for staff and students against monkeys.
7. 'Home Science Labs' should be upgraded well in time.
8. Efforts should be made to promote extension activities contributing society's development.
9. College website should be upgraded.
10. Efforts should be made to conduct seminars and workshops in the college.
11. Efforts should be made to introduce new courses at UG and PG level.
12. Efforts should be made to register " Alumni Association"
13. Renovation of passage on ground floor should be made.
