Suggestions & Proposals for Improvement in college Infrastructure & Activities (2018-19)

The IQAC of the college is working in close association with the college administration, faculty and non-teaching staff to achieve new qualitative benchmarks in the college functioning. On the basis of the feedback from students, teachers, parents, alumni and other stakeholders and continuous observation on the part of IQAC, the below given suggestions are hereby put forward for improving college infrastructure and other activities related to teaching learning environment and co-curricular and extra-curricular fields:-

1. The college should make efforts for infrastructural development like construction of conference room, new library, canteen, gymnasium and child care unit to provide better facilities to students and staff.
2. The college should make more class rooms as smart class rooms with modern audio-visual facilities.
3. The college should strive to make library fully computerised with all hi-tech facilities.
4. The college should make efforts to bring new courses at PG and UG level .
5. Ramp should be made to make movement comfortable for handicapped students.
6. The compulsory wearing of I-cards by students should be ensured.
7. College beauty should be enhanced by installing statues, fountains and by planting trees.
8. The college should coordinate with the 'Alumni Association' to conduct a 'Mega Alumni Meet' in the college to involve more alumni with the college activities.
9. The different subject societies and designated cells should organize maximum activities and extension lectures for the benefit of students.
10. The college administration should make efforts to promote research culture in the college.
11. To bring efficiency, transparency in the clerical work, 'CMS' should be installed.
12. To provide better drinking facilities to students more water coolers should be installed with purifier.
13. Home Science labs should be upgraded according to the present needs.
