

Hindu Kanya Mahavidyalaya, Jind

ACADEMIC YEAR: 2017-18

Feedback Suggestions

Student's Suggestions:

- Maximum students should participate in placement cell activities.
- Teachers should frequently discuss sports/current topics/ fashion /news highlight with students.
- Toilet facilities should be improved.
- Drinking water facilities should be improved.
- Tasty healthy food should be served in the canteen.
- All students should be aware of the “Earn while you learn” scheme.

Teacher's Suggestions:

- M. Child care centre should be started.
- Canteen should be renovated
- NCC should be introduced.
- More emphasis should be laid on seminars, conferences, workshops for students.
- E- Library should be initiate by which students learn and do research even distant.
- The college should encourage the faculty to attend the trainings, winter school and allow the faculty to interact with different college & university in faculty exchange programmes.
- Almirah system in the library should be opened.
- Sc. (Maths) should be introduced.

Parent's suggestions:

- Problem of sewerage overflow on main road should be solved.
- Students should use proper language during conversation and their behaviour should be good.
- Counselling and guidance should be available for higher studies and career options.
- Bus facilities should be given to the students.
- Cool R.O. water should be provided.
- Different courses of other languages should be started.
- To improve physical fitness of students, yoga and self defence classes should be started.
- The college gate should be open at 12.00 o'clock.
- Kabaddi sport should be started in the college.
- M.A. Political Science course should be introduced.

Alumni's Suggestions:

- College administration must ensure the safety of vehicles.
- College administration must introduce NET coaching cell for History.
- No proper management of water.
- In college, there should be regular staff. The frequent change in faculty members cause non adjustment amongst students.

Hindu Kanya Mahavidyalaya Jind
