### \*Suggestions to improve the programs B.A./B.Sc./B.Com./ etc.

1. Computer classes should be conducted for financially weak students to make them self-dependent and I-TEC friendly.
2. More career guidelines should be given to increase employability among students.
3. Effective methods should be used by teachers to deliver the course curriculum such as use of blended learning method of teaching.
4. There must be easy access to the library books.
5. Due to the long stay at the college under the NEP system there must be a lunch break.
